Missing person found deceased

Flagstaff, AZ – The Coconino County Sheriff's Office has located the body of 53 year old Roger Jones Cowboy of Cameron, Arizona.

Cowboy's body was found in a rock outcropping located approximately 150 yards behind Hank's Trading Post (mile post 446 on U.S. Highway 89 North, approximately 27 miles north of Flagstaff).

Cowboy was last seen in the area of Cameron, Arizona on Highway 89 North on February 18, 2010. He told a friend he was headed to the store at Gray Mountain to purchase alcohol. The friend did not report Cowboy missing until March 2, 2010.

Recently, a friend told the family he had been drinking with Cowboy in the rocky area behind the trading post sometime around February 18. Family members checked the area and discovered Cowboy's body.

Investigators at the scene report there are no obvious signs of foul play or trauma. An autopsy will be scheduled to determine the cause and manner of death.
